

Dear Parents/Guardians:

Once again we will be offering the T.R.I.P. PROGRAM (Tuition Reduction Incentive Program) also known as SCRIP. This is not a fund raiser for St. John, it is strictly a way for you to save money on your tuition.

The way this is accomplished is the program purchases certificates at a discounted price and the % listed by each company is what you receive towards your tuition account.

EXAMPLE: Arbys offers \$10 certificates at a 8% discount. You order and pay \$50 for 5 certificates. The program pays \$46 to Arbys and the \$4 goes into your tuition account.

There are over 100 companies participating in this program for you to choose from. Attached is a sample of the companies listed along with their percentages. However, these companies during the year can change there % and \$ amounts or drop out completely. We will notify you as soon as possible with any changes. On the reverse side of this letter are the guidelines for ordering.

If you are interested in participating in this program attached is an enrollment form. Please fill out the form and include a check for a \$10 enrollment fee (this covers the cost of office supplies and shipping for each order). Your enrollment form can be sent to school in an envelope marked T.R.I.P. program.

You must be enrolled in the program to place an order. The deadline to enroll is **Sept. 15th** in anticipation of placing the first order by **Sept. 20st**.
No enrollments will be accepted after that time.

A schedule of dates and times for ordering and pickups will be forwarded along with an updated order form after you have enrolled.

Committee Chairpersons: Christine Filipek and Andrea Matura
